

Environmental Policy Statement

The Scope of our ISO 14001:2015 Environmental Management System is the manufacture and supply of contract seating and tables.

LD Seating S.r.o continuously attempt to reduce consumption of resources, avoiding waste and to comply with legislation and regulatory requirements to protect the environment.

Our leadership team ensures this policy is aligned with the strategic direction of the Company. All team members are accountable for the implementation of this policy. Ensuring it is maintained at all departments within the Company.

Continues improvement is designed within our action plans as is continues assessment which will be reviewed and monitored by the leadership team and results communicated throughout the organization. We are committed to minimizing the impact of our organization on the environment.

Our policy aims are follows:

- Protect the natural environment from harm.
- Prevent pollution.
- Reduce waste.
- Minimize business travel and transport. Ensure this policy is considered in the procurement of products and services.
- Work with suppliers and designers to ensure this policy is considered at every stage of product development.
- We strive to be carbon neutral.

LD Seating S.r.o provides training to ensure this policy is communicated and implemented to all LD Seating S.r.o. employees and anyone working for or with LD Seating S.r.o.
